Remarks

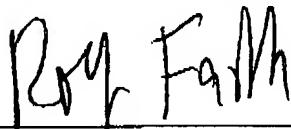

Reconsideration of the application is respectfully requested. The claims 14-25 were rejected under the  
5 judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-13 of US Patent No. 6,659,240. This rejection is respectfully traversed. Attached is a terminal disclaimer that should obviate the above double patenting rejection.

10 The application is now submitted to be in condition for allowance, and such action is respectfully requested.

Respectfully submitted,
